Organized by

**Department of Mathematics
West Bengal State University
Berunanpukuria, Malikapur
24 Paraganas (North)
Kolkata – 700126**

Brief Profile of Department

The Department of Mathematics started offering PG courses from 2008. At present there are 6 permanent faculty members. Students of this Department have qualified in different all-India Examinations. The thrust areas of research include Topology, Measure and Integration, Functional Analysis, Plasma Physics, Solid Mechanics and Theoretical Physics.

Courses offered : 2-year (4 Semesters) M. Sc. in Mathematics, Ph.D. in Mathematics.

Aims and Objective

In remembrance of the completion of 100 years of the discovery of the General Theory of Relativity by Albert Einstein (1915), the Keynote address will be delivered by an eminent expert on the subject. The aim of the seminar is to present current emerging trends in Pure and Applied Mathematics as well as to discuss well-established theories in all branches of Mathematics.
